

You are Anurag/Anjali, an N.S.S. Volunteer who attended Republic Day Parade in your local district headquarter. Write a report to be published in your College magazine, in 150-200 words on Republic Day Parade.

Answer:

The Grandeur Of Republic Day Celebrations

By: Anurag, an NSS Volunteer

XYZ College

April 3, 2023 : Being an NSS Volunteer, I got the privilege of participating the Republic Day Parade in Sankardevnagar. I was awestruck by its sheer grandeur and magnificence. The parade showcases not only India's defence capability but also gives us a unique glimpse of our cultural and social heritage.

The Republic Day Parade which is held in the district headquarter, starts from the DC court Maidan. Before its commencement, the Deputy Commissioner lays a floral wreath at the 'Amar Jawan Jyoti, a memorial to the soldiers who laid down their lives during freedom struggle. He then unfurls the National flag after which the different regiments of our armed forces marched past with their bands in all their fineries saluting the Deputy Commissioner and other dignitaries present over there.

Another highlight of the parade was the tableaux of different tribes and communities that depicted India's culture and diversity. Each tribe of the state is represented by a float that presents an aspect of its culture and is a visual treat. Watching the Republic Day celebrations was the most enjoyable experience and it was my good fortune to have got this opportunity to watch the parade from such close quarters, an experience that I will not be able to forget. The celebrations came to an end and everyone arose for the National Anthem following which the important dignitaries left maidan.
