Dear Students

Covid-19 has taken the liberty of students to attend regular classes. However, we all are very much concerned about your future and Gauhati University suggested teachers, students and other stakeholders to continue the process of teaching and learning through online-synchronous and asynchronous (E-mail, WhatsApp Group, Online Panel discussion etc.). Here is an opportunity for teachers and students to deliver class/study materials, videos etc. to our students through the college online portal www.haaconline.org.in . The students can submit their requirements in this portal.

There shall be a link to “Online Panel Discussion” to chat with the teacher concerned at a fixed/stipulated time to be notified shortly.

Thus I advise you to avail yourself of the necessity and opportunity of the online teaching and learning..... **CLASS AWAY FROM CLASS**

STAY HOME, STAY SAFE
